Dear Parents and Carers

As you would be aware, the school is using electronic media for communicating across our community which includes the use of student images to promote and celebrate their successes and achievements. Keiraville Public School has a registered **Facebook page**. This page is used to provide updates on events happening around our school, reminders for special days and to share photographs and information about the great things our students are doing on a daily basis. The use of **School Stream** also is used to communicate reminders and information and to celebrate our student successes. The use of **Sway** as the platform for our newsletter means that permission for the school newsletter and the **school website** will be considered as one because the newsletter is published on the website each fortnight; however, will not be published to **the KPS Facebook page**. **Seesaw** is another digital tool used to communicate the learning the students do in the classroom however these uploads can only be viewed in class and by each registered parent (they can only view their child's uploads). On occasion the **local press** or **television** will do a story so we would also like your permission to allow them to appear in the media should the occasion arise.

Please note that images used will only appear in groups of students and only first names will be used. Your permission can be revoked at any time by notifying the school.

Thank you
Toula Kotamanidis
Principal

PERMISSION FOR PHOTOS/VIDEO IMAGES TO BE PUBLISHED

I give permission for a photo of my child _____
Class _____ to appear in the following:
